

# MEDIUM-DUTY BANDERS

## RI-200

Seal up to 200 straps per charge. Comes with two rechargeable batteries, up to 450 lbs. tension strength, and a great price point.

### DESIGNED FOR MEDIUM-DUTY APPLICATIONS

Whether you're banding packages or bundling objects, the RI-200 bander is a lightweight and powerful unit designed to be used with one hand. See how it compares to similar banders by Polychem and Fromm.
